Immediate Past President:	AL DAVIS VE3HNJ
President:	BOB BRAIN VE3GTD
Vice President:	CLARE JAYNES VE3HWT
Secretary:	JOHN LESTER VE3MB
Treasurer:	JO ANN WOODS VE3MNL

QRM Newsletter:	JOHN LESTER	A.M. 2M Ragchew	HARRY OVEREND
Program:	Clare Jaynes	2M Weekly Net - to be shared	
Public Relations:	BRIAN SMITH	80M CW Practice	ED TUCKER
Repeater:	AL SMARDON	C.N.I.B. Liaison	JOHN LESTER

-
- 1) VE3OBG advises that the 80m c.w. net will be cut back a little: no net on Wednesdays or Saturdays effective March 14.
 - 2) Our club treasurer, Jo Ann VE3MNL, has great ability as an artist. She has produced two super gifts for visiting speakers. These are items of coloured glass in lead framework, Tiffany style. Very lovely work, and the club is lucky to enjoy such talent.
 - 3) The 2m transceiver has been re-worked to suit Sandy VE3LYE and should be in service by the time this bulletin comes out.
 - 4) VE3BAS Norm, was at home March 14 and on the 2m band. We are all cheered by his good progress and look forward to more.
 - 5) For your club roster: Please add VE3BAQ, Bill.
 - 6) The club five band transceiver, the Atlas 210X has a problem in the transmit section yet, but meanwhile is on loan to Tom Ross of Belleville, who is the sightless person I hope to have obtain a ham certificate soon. The receiver section of the Atlas works perfectly, and the rig is a natural for use by a blind person.
 - 7) Until the power supply committee can get a 15a supply built for the 210X, VE3GTD has loaned me a one amp supply to run it as a receiver.
 - 8) The Ham and Eggs, because of its success, has run into a problem of space. The trial run at Baron's Motel was a failure because they can't handle the crowds when a big bus load of folks arrives at Ham and Eggs time. So Ham and Eggs is now meeting at the Golden Griddle in the Bell Tower Plaza. (See enclosed bulletin).

- 9) To hand are calling cards sent to the club from Napanee. Hildegarde and Heinz Dovelng are at Napanee for the time being, Box 275, K7R 3M4. These folks are from near the Jack Miner bird sanctuary at Harrow, Ontario. They hold amateur calls here, in the U.S.A. and in Montserrat as well. Keep an ear out for them and make them welcome. VE3IYY and VE3 IJA.
- 10) Just a comment on our last meeting: the twenty-three of us who enjoyed a very informative and timely talk by Cst. John Gibbons of the Belleville Police Force, owe a debt to our energetic V.P. Clare VE3HWT who has come up with another super program. We were all very impressed with the top notch efficiency and smartness of the B.P.F. and we were surely extended a first cabin reception by them.
- 11) Brian VE3HWU has given me a list of crystals for Icom 2 meter rigs that he has on hand. Sixteen sets available. Call me for frequencies.
- 12) Bert Wilson VE3OBH sent word back to all of us at the Q.A.R.C. that he is going to proceed across the Atlantic at present as planned. All well there, and sends best regards to us all.
- 13) Hams and Eggs March 28 well attended.
- 14) The Fox Hunt set off very well attended and was very successful. A lovely morning, very mild for March, made conditions perfect for the exercise. Several kinds of antennas were in evidence. The Fox radiated power was changed in mid-hunt and added a dimension which caused the weak ones some anxiety. Bob VE3GTD and Ross VE3AUU have every reason to be pleased with the success of their well planned program. A lot of work went into it and all were well rewarded. The winners were Ivan VE3GTH with Bill VE3NFP and Bill's son Hugh. The elapsed time for the winners was fifty-three minutes. The second and third place cars were no threat to the fox, being well over three kilometers away. The Fox Hunt was discussed at the April 1 Executive Meeting, and a report will be made in QRM. It was suggested that club sponsored Fox Hunts be held the last Saturday in March and the last Saturday in September on an ongoing basis.
- 15) VE3AGT reports hearing a BY station at 14.025 but couldn't get through the pile-up to catch it. They are there, however, and the alert fellows will get one.
- 16) Please make a careful note of this item: Article XI of the Constitution: Add (e) In the event of the dissolution of the Q.A.R.C. all club property will be disposed of. The proceeds from such sales will be donated to a charitable organization chosen by a quorum of the membership. The above is a new item for the Constitution.
- 17) The Walkathon at ^{Shawlow Twp.} Trenton is to be covered by the Q.A.R.C. and the committee is Don VE3BPL. Please call Don and offer your assistance. The date is May 9.

- 18) Horace VE3LGQ has agreed to be the auditor this year of the Q.A.R.C. financial records, and will report in due course.
- 19) The Club Executive requests all members to think of ideas for a Club logo and submit their designs to the Club Secretary before the end of June.
- 20) The next Club Meeting will be at 7:30 local time at Loyalist College, on April 15. The speaker will be Major Keith Gathercole of C.F.B. Trenton. The topic will be Search and Rescue.
